AWARD WINNING FILM TO BE SHOWN

The Academy Award winning documentary film, "THE TIMES OF HARVEY MILK," will be shown from 12-2 in Reed Hall Room 160 on Thursday, February 9. The film chronicles the life of Harvey Milk, a duly elected San Francisco city supervisor, (councilman) who was openly gay. He was assassinated in 1976 along with the Mayor of San Francisco, George Moscone, in the Mayor's office. They were shot down by a disgruntled San Francisco firefighter, who subsequently served only four years for the double homicide. This film is not only about the emergence of the Gay and Lesbian community as a political and social force but also about our system of justice. This program is sponsored by BiGLOBAL, the Gay and Lesbian Student Organization.
